

# CAREER DIRECT IN A NUTSHELL

1. Career Direct is a **reliable and valid**, holistic, integrated and comprehensive career evaluation.
2. It will help you to know about job opportunities that will grow rapidly in the next few years, will have large numbers of openings, or are new and emerging careers.
3. People of **all ages** can benefit from Career Direct® whether they are deciding on career subject choices, preparing for a career, entering the employment market for the first time, or re-joining the workforce.
4. You will have to complete an **online assessment** which will take between 60 to 75 minutes.
5. Once your results are available, 2 feedback sessions of 60-90 minutes will be scheduled with you.
6. We will discuss your comprehensive **35-page report**, as well as your draft customised action plan.
7. Through this process, the aim is to empower you to make informed decisions, which in turn can give you the confidence to make a success of your chosen career path.

**To date, at least 350,000 people have benefited from Career Direct® Assessments and use the outcome for various purposes.**
