CAREER DIRECT TRAINING FAQ

1. I'm in an organisation (school, business, private practice, church) that could really use Career Direct. Do you have a version for institutions?

Yes, that will be an honour to coach you. As a Master trainer, I have trained more than 222 people in the process of becoming a career Direct consultant

<https://careerdirect.org/about/team>

2. Do you offer Career Direct Consultant training and how do I get signed up?

Career Direct provides specialized training for people looking to become consultants. Each applicant undergoes a strict evaluation before being invited to attend a live training.

3. Once I become a Career Direct consultant, what else can I get trained in

After Career Direct we recommend that you get training in the seven areas of Excellence, Character first or an assistant in presenting specified online courses and using the various assessments. This training has its own specific set of expectations, requirements, and guidelines.

4. Any other questions for example

- What is the Career Direct Assessment and how can it help me?
- Who would benefit the most from using Career Direct?
- What makes Career Direct Unique?
- How long have you been in a career assessment Business?
- How valid and reliable is Career Direct?
- Are there key points in a person's life when you would recommend taking an assessment

LET'S BOOK A SESSION SO THAT I CAN DISCUSS THIS WITH YOU.
